The following information is provided to assist evaluating the Debtor's affairs and the Proposal. Please note, we have not audited the information provided by the Debtor and as a result we are not able to express an opinion concerning the accuracy of that information. The following information originated from our review and/or discussions with the Debtor.

1. BACKGROUND

The company was incorporated on March, 17th, 2009. According to the Articles of Incorporation, James Gordon Boles and Leslie Virginia Boles are the directors of the company.

The company's services were initially landscaping, then switched to firewood due to intense competition in landscaping industry.

Cause of Insolvency

The Trustee understands from the company that:

The company was growing steadily, however, due to overexpansion, the expenses became unaffordable. Large amount of bad debts also negatively influenced cash flow.

Late filing of tax return results in interest and penalty.

The company used a line of credit from CIBC which was cancelled later. Due to late filing of their 2018 tax return, the company was not able to get a new line of credit from TD.

2. SUMMARY OF PROPOSAL:

The Debtor intends to remain fully operational throughout the Proposal. As the cashflow of the Company will be sufficient to meet the terms of the Proposal along with the lump sum payment from third party.

In summary, the Proposal contemplates the following:

1. Lump sum payment from Third-Party within 30 days of court approval in the estimated amount \$38,000.00. This lump sum payment will be used to pay the amount owing under the Deemed Trust claim by CRA: and
2. Unsecured Creditors- Monthly payments of \$5,000.00 a month for 30 months totalling \$150,000.00. Payments shall commence on the 1st day of each month within 30 days of court approval of this Proposal; and
3. The Proposal is not being made to any of the Secured Creditor(s) of Debtor. Payment of all amounts owing to any Secured Creditor(s) of the Debtor shall be made in accordance with the terms of their existing contract or as may otherwise be agreed between the Secured Creditor(s) and the Debtor.

4. The Proposal calls for the release of the directors that relate to the obligations of the company where the director is by law liable in their capacity as director.

If the statutory majority of creditors and the Court approve the Proposal, the Proposal will become legally binding on the Debtor and all Ordinary and Preferred Creditors.

If the creditors reject the Proposal, the Debtor will automatically be deemed bankrupt. If the Debtor is deemed bankrupt, creditors can expect to receive minimal, as the assets of the Debtor in a bankruptcy scenario have a minimal value which would go to repay CRA's deemed trust claim in full, and leave minimal for the unsecured creditors.

3. EVALUATION OF ASSETS AND LIABILITIES

Enclosed with the Notice of Proposal is Debtor's Statement of Affairs, which details its assets and liabilities, along with a listing of the deemed trust, secured and unsecured creditors. In order to assist creditors in assessing Debtor's Proposal we have summarized below the Trustee's estimate of realizable value of Debtor's assets in the event of a bankruptcy.

Proposal Payment :		\$225,911.19

ASSETS :

Equipment and Tools of the Trade:

The Trustee has received and appraised value from CanAm- Appraiz Inc. which was completed on October 10, 2019. The equipment is in well-used condition and the values are based on comparative sales of similar or same equipment in the past year. The gross value is estimated to be \$187,980.00 and is subject to operative conditions, hidden or otherwise , which could cause a decrease in the value of assets. The above gross amounts are before factoring the costs of the professional fees associated with the realizable value of these assets.

4. REMUNERATION/CONFLICT

Prior to acting in this matter, the trustee has had no dealings with 2200825 Ontario Inc. or any related parties. The trustee has received \$5,650.00 inclusive of HST in connection with reviewing the debtor's financial situation, preparing and filing the proposal and statement of affairs and review of all information provided by 2200825 Ontario Inc. and this report, which is ongoing since September 12, 2019.

5. OTHER

If the statutory majority of creditors (both i) 2/3 in dollars AND ii) majority in numbers voting) and the Court approve the Proposal, the Proposal will become legally binding on the Debtor and all Ordinary and Preferred Creditors. If the creditors reject the Proposal, the Debtor will automatically be deemed bankrupt.

Readers are cautioned that the foregoing summary is meant only as a simplified overview. The Proposal contains terms and conditions which are not set out above. In the event of any conflict between the above summary and the Proposal, the terms of the Proposal will prevail. Creditors are therefore urged to read the Proposal in its entirety and, if necessary, to consult with their professional advisors.

6. RECOMMENDATION

Based on all of the information that has come to the Trustee's attention to date, the Trustee recommends that creditors accept the Debtor's Proposal.

In the matter of the proposal of
2200825 Ontario Inc.
of the Community of Plevna, in the Province of Ontario

The James Boles of 2200825 Ontario Inc., has/have developed the assumptions and prepared the attached statement of projected cash flow of the insolvent person, as of the 20th day of September 2019, consisting of September 2019 to November 2019.

The hypothetical assumptions are reasonable and consistent with the purpose of the projection described in the notes attached, and the probable assumptions are suitably supported and consistent with the plans of the insolvent person and provide a reasonable basis for the projection. All such assumptions are disclosed in the notes attached.

Since the projection is based on assumptions regarding future events, actual results will vary from the information presented, and the variations may be material.

The projection has been prepared solely for the purpose described in the notes attached, using a set of hypothetical and probable assumptions set out in the notes attached. Consequently, readers are cautioned that it may not be appropriate for other purposes.

Trustee's Report on Cash-Flow Statement
(Paragraphs 50(6)(b) and 50.4(2)(b) of the Act)

In the matter of the proposal of
2200825 Ontario Inc.
of the Community of Plevna, in the Province of Ontario

The attached statement of projected cash flow of 2200825 Ontario Inc., as of the 20th day of September 2019, consisting of September 2019 to November 2019, has been prepared by the management of the insolvent person (or the insolvent debtor) for the purpose described in the notes attached, using the probable and hypothetical assumptions set out in the notes attached.

Our review consisted of inquiries, analytical procedures and discussion related to information supplied to us by: the management and employees of the insolvent person or the insolvent person. Since hypothetical assumptions need not be supported, our procedures with respect to them were limited to evaluating whether they were consistent with the purpose of the projection. We have also reviewed the support provided by: management or the insolvent person for the probable assumptions and preparation and presentation of the projection.

Based on our review, nothing has come to our attention that causes us to believe that, in all material respects,

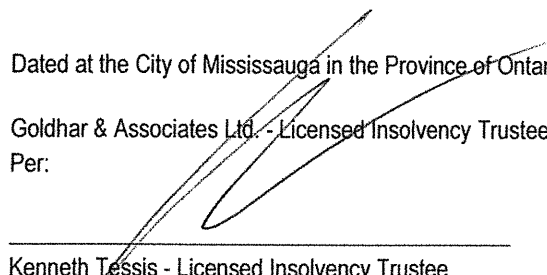

- (a) the hypothetical assumptions are not consistent with the purpose of the projection;
- (b) as at the date of this report, the probable assumptions developed are not suitably supported and consistent with the plans of the insolvent person or do not provide a reasonable basis for the projection, given the hypothetical assumptions; or
- (c) the projection does not reflect the probable and hypothetical assumptions.

Since the projection is based on assumptions regarding future events, actual results will vary from the information presented even if the hypothetical assumptions occur, and the variations may be material. Accordingly, we express no assurance as to whether the projection will be achieved.

The projection has been prepared solely for the purpose described in the notes attached, and readers are cautioned that it may not be appropriate for other purposes.
